# GREEK LANGUAGE GUIDE

Greek is spoken by more than 7 million people in Greece, Crete and Cyprus, and by some half million in Turkey and Egypt.

This *Language Guide* will enable you to ask directions, buy things or order a meal in these Greek-speaking regions. Knowing a little Greek will also help you get along with the people, for they will naturally be pleased to see a stranger showing enough interest in them to try to learn their language.

## How to Use the Records* and Guide

This *Guide* is obviously not intended to give you a complete command of the Greek language. If you want to embark upon a somewhat extensive study of the spoken language you should obtain the USAFI course, SPOKEN GREEK—see the current USAFI Catalog for instructions. This *Language Guide* will, however, enable you to carry on simple conversations in Greek.

The records that go with this *Guide* give you a number of the most important words and phrases in Greek. Read the section called *Hints on Pronunciation*

*Records no longer available.

and then listen to the records until you know the ***Useful Words and Phrases*** by heart. ***Repeat each word out loud right after you hear it and say it exactly the way the Greek speaker does.*** Imitate the pronunciation as closely as you can, just as you might mimic someone who has an unusual accent. Try to get every detail of the pronunciation, even the rhythm and intonation. Follow the words in your ***Guide*** but use them only as a reminder; if you hear something different from what you see written, go by what you hear. ***Remember that you can't get the sound of a language from the printed word alone—you have to use your ears even more than your eyes.*** If you don't have the records and can't get a Greek speaker to pronounce the words you will have to rely on the ***Hints on Pronunciation*** alone.

By the time you have practiced the ***Useful Words and Phrases*** several times, you will know what sound each letter stands for in your ***Guide.*** You will then be able to pronounce the ***Additional Expressions*** even though you have not actually heard them and you

will be able to form sentences of your own by using the section called ***Fill-In Sentences.***

### Hints on Pronunciation

All the words and phrases are written in a simplified spelling which you read like English. Each letter or combination of letters is used for the sound it usually stands for in English and it *always* stands for that sound. Thus, *oo* is always pronounced as it is in ***too, boot, tooth, roost,*** never as anything else. Say these words and then pronounce the vowel sound by itself. That is the sound you must use every time you see *oo* in the Greek column.

***Syllables that are accented, that is, pronounced louder than others, are written in capital letters.*** In Greek unaccented syllables are not skipped over quickly, as they are in English. ***Curved lines*** (‿) ***are used to show sounds that are pronounced together without any break;*** for example, K‿*TEN-ah* meaning "comb," *k‿see-RA-fee* meaning "razor."

## Special Points

Here are a few points to note as you listen to the records:

***AY*** as in *say, may, play* but don't drawl it the way we do in English. Example: *HAYR-et-ay* meaning "Hello."

***DH*** sounds like the *th* in *then, this, that*. Example: *DHEE-o* meaning "two."

***G*** sounds something like the sound you make when you gargle. Example: *av-GA* meaning "eggs." However, if you use the *g* in "got" or "gone" you will be understood.

***KH*** sounds like a very strong *h*. Example: *dhrakh-MEE*, the name of the principal Greek coin. However, the *k* in *king* will be understood.

## USEFUL WORDS AND PHRASES

The following is the exact wording of the Greek language records issued with this ***Guide.***

These records give you a few useful phrases in Greek. To learn to say these phrases so that you will be understood, imitate the sounds exactly as you hear them. You will hear the English first, followed by the Greek; then repeat the Greek out loud, and say it ***good and loud.*** Remember! Repeat every Greek phrase right after you hear it. In the ***Greek Language Guide*** which should be used with these records, all the phrases you will hear are written in a spelling which you read like English.

Listen to the records six or seven times and you will know the phrases by heart.

### GREETINGS AND GENERAL PHRASES

| ***English*** | ***Greek*** |
|---|---|
| **Hello *or* Greetings** | *HA YR-et-ay* |

A familiar greeting used somewhat like our "Hi there" or "So long" is:

*YA-soo*

*HAYR-et-ay* and *YA-soo* are general expressions of good will and friendliness. They are used both for "Hello" and "Good-by."

| | |
|---|---|
| **Good morning** | ***ka-lee MA YR-ah*** |

| *English* | *Greek* |
|---|---|
| Good evening | *ka-lee SPA YR-ah* |
| Good night | *ka-lee NEEK-ta* |
| Sir *or* Mister | *KEE-ree-ay* |
| Madam | *kee-REE-ah* |
| Miss | *dhess-pee-NEESS* |
| How are you? | *TEE KA-net-ay?* |
| I am well | *EE-may ka-LA* |
| Excuse me | *seeg-NO-meen* |
| Please | *pa-ra-ka-LO* |
| Thank you | *ef-ha-ree-STO* |

When someone thanks you, you answer with the word for "please"—*pa-ra-ka-LO*.

| | |
|---|---|
| Yes | *NA Y* |
| Certainly | *MA-lee-sta* |
| No | *O-hee* |
| Do you understand? | *ka-ta-la-VEN-eess?* |
| I understand | *ka-ta-la-VEN-o* |
| I don't understand | *DHEN ka-ta-la-VEN-o* |
| Speak slowly | *MEE-la see-GA* |

You have just heard a sound you must practice. It is written as *g*. It sounds something like a gentle gargle. Listen to the word again and repeat: *see-GA*, *see-GA*. Try just the sound again: *g*, *g*.

*ka-ta-la-VEN-eess?*

| *English* | *Greek* |
|---|---|

## LOCATION

When you need directions to get somewhere, you can say "Where is it?" and then add the words you need.

| | |
|---|---|
| **Where is it** | *POO EE-nay* |
| **the restaurant** | *to ess-tee-ah-TO-ree-ohn* |
| **Where is the restaurant?** | *POO EE-nay to ess-tee-ah-TO-ree-ohn?* |
| **the hotel** | *to k_sen-o-dho-HEE-ohn* |
| **Where is the hotel?** | *POO EE-nay to k_sen-o-dho-HEE-ohn?* |
| **the railroad station** | *o stath-MOHSS* |
| **Where is the railroad station?** | *POO EE-nay o stath-MOHSS?* |
| **the toilet** | *to MAYR-ohss* |
| **Where is the toilet?** | *POO EE-nay to MAYR-ohss?* |

| *English* | *Greek* |
|---|---|

## DIRECTIONS

The answer to your question "Where is such and such?" may be "Turn right" or "Turn left" or "Straight ahead," so you need to know these phrases.

| | |
|---|---|
| **Turn right** | *STREEP-say dhek-see-AH* |
| **Turn left** | *STREEP-say ah-ree-stay-RA* |
| **Straight ahead** | *EE-sa* |

It is sometimes useful to say "Please point" or "Show me the way."

| | |
|---|---|
| **Please point** | *pa-ra-ka-LO DHEEK-sem-oo* |
| **Show me the way** | *DHEEK-sem-oo tohn DHRO-mo* |

If you are driving and ask the distance to another town, it will be given you in kilometers, not miles.

| | |
|---|---|
| **Kilometers** | *hee-lee-O-met-ra* |

One kilometer equals $\frac{5}{8}$ of a mile.

For example, to say "Where can I get some soap?" look for the phrase "Where can I get___?" in the English column and find the Greek expression given beside it: *POO bo-RO na EV-ro___*. Then look for "soap" in the list that follows; the Greek word is *sa-POO-nee*. Put the word for "soap" in the blank space and you get *POO bo-RO na EV-ro sa-POO-nee*.
